that these standards are adhered to in the evaluation process of the Depot learning content.

2. Act as the entity that is responsible for the quality and the integrity of the Depot learning content.
3. Participate in the SREB SCORE initiative as a member in collaborative activities including maintaining content evaluation criteria among the 16 member states.
4. Work in partnership, cooperation and collaboration with the Florida Orange Grove Digital Repository as the pilot state for their Blueprint Project which is funded by the FIPSE grant.

The parties agree that the Morehead State University, will:

1. Participate in the Depot Content Team in order to ensure the cohesiveness between content standards setting and its implementation.
2. Establish the content peer review routines using the Content Evaluation Form and the Content Evaluation Process to implement the Depot Evaluation Matrix posted in the Depot website no later than June 30, 2009.
3. Recruit content editors as needed.
4. Complete content review of existing Depot content and Open Textbooks in sufficient time to allow for the launch of The Depot Pilot by Fall 2009.
5. Work closely with the Depot Content Team in maintaining the quality and the integrity of the Depot content.

C. STRUCTURE

1. Host

CPE is the host organization for the Kentucky Learning Depot.
